4 Correspondence:

Response to the Settlement Pattern for East Lindsey The Chairman has viewed the plan and sent a response on behalf of Partney & Dalby Parish Council. The Chairman read out the

letter to all . The main points outlined that Partney's designation remains as a Large Village and that the points should be amended to ignore the points for a food shop (4), other shop(3), Strategic Road Network (4) and Mains Drainage (approx. only 50% of the village is on mains drainage) (1.5) giving a revised total of 36.5 and returning it to its designation to a Medium Village. This letter was sent on the 21st February and the Chairman is waiting for a response. Mr. J Boulton and Mrs. M Dawson considered the letter to be a 'good' response.

Planning Application Fairfield No changes to the proposal to construct 5 properties on the Fairfield. Permission has been approved. Mr. M Lovelock questioned why this has taken so long and concerns raised about the details of the application. Cllr W Grover offered to seek an update on the application and also raised concerns about the length of time it has taken. It was noted that the "Village Gain" would be the middle part of the field, the existing car park (to the Village Hall) and a footpath to the school.

5.Accounts to Pay and Approve to date: Mr. Lovelock (Treasurer) circulated and explained the accounts. There were two accounts to be paid both for maintenance at the cemetery: £844.00 to Philip Middleton for Grass Cutting and Hedge Work and £46.80 to J E Dennett for hedge cutting. Members gave approval for payment.

It was agreed that the Treasurer should transfer monies saved by the Clerk choosing not to take a salary into the Parish Council's Business Account so that they did not confuse the general account balance.
